Admission Results for the 2026/2027 Academic Year of the Joint Degree Program
Organized by **Tashkent State University of Law** and **Nagoya University of Economics**

Evaluation Criteria

The overall score was calculated on a 100-point scale, based on the following components:

1. High School GPA (5 points → converted to 30 points): The high school grade average was first recorded, then converted proportionally to a maximum of 30 points.
2. English Test (10 points): Candidates' English proficiency was assessed on a 10-point scale.
Applicants holding an officially recognized English language proficiency certificate were automatically awarded the maximum score, in accordance with the Resolution of the Cabinet of Ministers of the Republic of Uzbekistan dated July 6, 2021, No. 421. All other candidates were evaluated based on their test results.
3. TSUL Interview (30 points): An interview conducted by Tashkent State University of Law representatives, worth up to 30 points.
4. NUE Interview (30 points): An interview conducted by Nagoya University of Economics representatives, worth up to 30 points.
5. **Total Score (100 points):** The sum of all the above components (30 + 10 + 30 + 30 = 100) determined the Overall score.
