

SUPPLEMENTARY INTERVIEW RESULTS

University of Greenwich LLB Programme | English-Language Assessment Follow-Up

Date: 19 October 2026

To: Admissions Committee, Tashkent State University of Law (TSUL)

Subject: Updated interview decisions for candidates awaiting language-assessment documentation

Dear Members of the Admissions Committee,

With reference to the GME University of Greenwich interview results report dated 18 September 2026, in which five candidates were recorded as awaiting English-language verification, we have reviewed the subsequent assessment record issued by the Agency for Assessment of Knowledge and Competencies, dated 12 October 2026.

The following four candidates appear in that assessment record. GME records their updated interview outcomes as follows:

No.	Candidate name	Agency result	GME grade
1	Zoidov Shoxjaxon	63.3%	9 – Pass
2	Nuriddinov Shoxruxbek	50.0%	8 – Pass
3	Alisherov Muxammad	50.0%	7 – Pass
4	Shamsutdinova Amira	50.0%	7 – Pass

Result: All four candidates are recorded as having passed the GME interview stage. The GME grades above are distinct from the agency assessment percentages and do not represent a mathematical conversion of those results.

Outstanding candidate: Tilepina Yekaterina Igorevna, the fifth candidate on the original waiting list, does not appear on the assessment record provided. Her status remains pending.

These interview outcomes remain subject to any other applicable admission and programme requirements.

Yours sincerely,

Professor Maged Shebaita

GME Representative | University of Greenwich Programme Coordinator
