

Evaluation Criteria

The overall score was calculated on a 100-point scale, based on the following components:

1. English Test (40 points): Candidates' English proficiency was assessed on a 40 point scale. Applicants holding an officially recognized English language proficiency certificate were automatically awarded the maximum score, in accordance with the Resolution of the Cabinet of Ministers of the Republic of Uzbekistan dated July 6, 2021, No. 421. All other candidates were evaluated based on their test results.

3. Interview (60 points): An interview conducted jointly by representatives of Tashkent State University of Law and Roma Tre University, with a maximum of 60 points, allocated as follows: TSUL – 30 points and Roma Tre University – 30 points.

4. Total Score (100 points): The sum of all the above components (40+30+30=100) determined the Overall score.
